SUMMARY

Operations and implementation manager, 8 years across construction project delivery, SaaS customer success, and B2B sales. Runs multi-site projects from contracting through post-launch: took Fieldwire from an unused license to system of record across concurrent sites, wrote the SOPs, trained the field teams, and built AI tooling that cut setup from a day to minutes. Owns the operational metrics and reports them to leadership; works across GCs, property managers, suppliers, and field crews.

EXPERIENCE

Project Manager | Haven Door Installation — Nashville, TN *Nov 2024 – Present*

- Launched Fieldwire from an unused license to system of record across concurrent sites — 1,000+ tracked openings
- Built AI tooling (Claude skills) that cuts per-package setup from a day to minutes; wrote SOPs, trained field teams
- Designed QA/QC gates and leadership reporting (Trello, monthly ops review); caught ~$7,500 in false shortage claims
- Flagged a six-figure contract discrepancy before enrollment on a 3,100-opening site; captured $15K+ in CO and T&M

Independent Fieldwire Implementation | Nashville, TN *Sep 2026 – Present*

- Productized the method as a fixed-fee Fieldwire implementation; scoped engagements for two referred contractors

Account Manager | FreightPOP — Remote *Apr 2024 – Nov 2024*

- Owned a $1M ARR book of 50–100 mid-market accounts; 90%+ renewal rate, supported by targeted email campaigns
- Renewed a high-risk account by rebuilding trust and proving value; closed a $90K expansion

Customer Success Manager | AutoRABIT — Remote *Jul 2022 – Apr 2024*

- Managed a $2M ARR book of 30–40 enterprise accounts; 93% renewal rate, $50K expansion
- Ran QBRs reporting adoption and ROI metrics to executive stakeholders; resolved escalations at 95%+ SLA

Associate Customer Success Manager | Valenz Bluebook (formerly Healthcare Bluebook) *Oct 2020 – Jul 2022*

- Led implementation for new customers on a healthcare SaaS platform; lifted engagement 20% via targeted email campaigns

Freight Broker | Longship *Jan 2020 – Oct 2020*

- High-volume outbound prospecting; negotiated and booked freight on a live load board; coordinated carriers and shippers

Business Technology Advisor | Novatech — Nashville, TN *May 2018 – Nov 2019*

- Outside B2B technology sales, deals $10K–$50K; company-wide incentive trip in first year; Salesforce pipeline management
